1 Although the Court notes that the parties have expressed some concern that the trial date
2 may need to be continued in light of the amended date of the summary judgment hearing, the
3 Court believes the trial date should remain feasible even under the amended schedule. Trial dates
4 set by this Court should be regarded as firm. Requests for continuance are disfavored. The Court
5 will not consider any event subsequently scheduled by a party, party-controlled witness, expert or
6 attorney that conflicts with the above trial date as good cause to grant a continuance. The Court
7 will not consider the pendency of settlement discussions as good cause to grant a continuance.

8 IT IS SO ORDERED.
